

Sample Lesson Plan

This lesson plan is intended as an example of how to structure a program. This is a basic lesson plan that you can customize and make your own.

Program Title

Considerations:

Age Level:

Time of day:

Location:

Amount of Travel: This may determine what animals you bring.

Weather Contingency Plan: Outdoor program? Mountain location? Could weather be a factor?

Key Messages: What are your key messages for your organization and your presentation?

Program Goals: What do you want people in your program to learn/see?

State Education Standards: (Optional) What education standards will this program need to meet? You can find this on your state education website.

Outline:

Program objective:

In more detail what do you want people in your program to learn/see?

Lesson:

What are your goals? To understand what?

What questions do you want to answer?

What questions do you want the audience to ask?

1. Introduction- who you are, what you do, key messages, what will they learn (theme), how should audience behave? Set expectations.
2. Program Theme
 - Lecture - Goal
 - Activity - Goal 1
 - Activity - Goal 2
 - Discuss the ambassadors at hand and how they play a role.
3. Conclusion- Reiterate what they learned. Take questions.

Materials Needed:

What supplies do you need?

Animal Ambassadors:

Minimum:

Maximum:

Ambassador Considerations?
